

Letter of Recommendation

July 4, 2025

To whom it may concern,

I am pleased to provide this letter of reference for John Solarte. I wholeheartedly recommend him for the position of Programmer/Analyst, Web Developer (On-Call). He has been a valued member of our service team at Okanagan College Library since January 2024. During this time, John has worked as an IT Lab Monitor.

In his position as IT Lab Monitor, he has proficiently provided technical support to library patrons in a variety of software applications including MS Office. He has demonstrated a keen eye for detail. In his role John has revealed both a strong commitment to his work and a high level of self-motivation. He has proven to be a collaborative, reliable and productive team member.

He is committed to customer service and has a knack for using creative thinking to find innovative solutions. He has made several suggestions for improvements to both library service and functionality. As his supervisor I have appreciated his sound communication skills and his adeptness in managing difficult situations in a professional and discreet manner.

John has been an exemplary employee. He is a delight to work with and I wouldn't hesitate to hire him again.

Sincerely,

Wanda
